PARK RANGER PROGRAMS

SUMMER 2015

Native Tree Hike

June 7/July 19, 1-2 PM

If you are interested in learning about native trees of Howard County then join us on our Native Tree Hike. We will talk about everything from the benefits of native trees to how invasive species threaten our ecosystem. Come wearing your hiking boots while we explore these local friends.

Savage Park

8400 Fair Street, Savage, MD 20763

Reptiles and Amphibians

June 13/July 26, 1-2 PM

Does your favorite animal hop on land yet loves to swim? Does it have a large shell but floats in water? Come learn more about these amazing animals with us as we explore the wonderful world of reptiles and amphibians.

Font Hill Wetland Park

3520 Font Hill Drive, Ellicott City, MD 21043

Watershed Walk

July 11/August 1, 1-2 PM

Ever wonder where the rain goes after it hits your driveway? What about what happens to the water after you take a shower? Come join us and learn about the Chesapeake Bay watershed that we all live in and exactly where all that water goes.

Savage Mill Trail

8650 Foundry Street, Savage, MD 20763

Junior Naturalist

June 21/August 8/August 23, 1-2 PM

If you have a love of nature, enjoy being outdoors, have fun educating others or simply just appreciate the environment, then come join us outside for our Junior Naturalist program. We'll teach you the basics of being a naturalist and give you the tools to teach your friends and family how to conserve and protect the environment around us.

Rockburn Branch Park

6145 Montgomery Road, South Area, Elkridge, MD 21075

All programs are free of charge!
